Duane motions to delete the last sentence #5 in the Code of Conduct Kyle 2<sup>nd</sup>'s Motion approved.
8. **Safety Officer – Leslie proposals**
  - a. **Steering Program 101 and 201** – Great success last year. For 2018, Matt Muirhead has volunteered to perpetuate a growth of new steerspersons within our club (all levels) albeit his retirement from coaching. Added a 201 section for experienced steers people and people who attended the class last year. Matt will lead. For the 101 class, 3 volunteers – Guy, Sal & Robert have stepped up to teach under Matt's supervision for consistency. A great program available to everybody in the club. 1<sup>st</sup> class – orientation lectures begin Friday Nov. 30<sup>th</sup> in the Harbor Meeting room and Dec. 1<sup>st</sup> Water practice. Safety Committee recommends re-certification for experience paddlers. Tai commented that at the Coaches discretion including REC should observe and recommend re-certification.
  - b. **PFD's for New Paddlers: - For OC6 -Safety Committee HIGHLY RECCOMENDS** new paddlers to wear PFD's. Request BOD to reconsider the value of new paddlers wearing PFD's. Leslie commented other sport activities like river rafting, sailing

classes, kayaking and dragon boating it is required to wear a PFD. And the Harbor Patrol when they go on calls wear PFD's. Guest at Shared Adventures. Gayle commented that the OSC waiver new paddlers sign states that you can tread water for 30 minutes. Phil commented that it should be a personal decision. Guy commented he regularly goes over the huli drill during rec paddle when new people are participating including putting on a PFD. If the huli last longer than 2 minutes paddlers should be putting on their PFD's. Guy states it's the steers persons job to educate and take charge if a huli was to occur. The more education the more practice the better.

- c. **Huli Recovery Drills:** Per Duane, education and repetition works. It worked for the Junior program. Tai recommends coaches implement huli drills, education and report to board. Leslie proposes quarterly huli practices. Tai suggest BOD to make it a directive for coaches to implement huli drills for the upcoming 2019 season Club Wide.

Kim motions for BOD to direct the head coach to incorporate and educate paddlers on a huli drill recovery into every single program. Kay 2<sup>nd</sup>'s. Motion passes.

- 9. **Coaches Corner:** No update from Dave Waynar at this time. He is putting together a program for 2019. Women's end of season party was a great get together, pot luck. About half of the women's racers attended. This party was scheduled early due to Yoko and Kim not being available for the end of season party.

**10. Ohana Award:**

- a. **Club Wide or Traditional:** Contributions to the club members beyond the BOD and Coaches. Club member who goes above and beyond for the club. Excluding BOD members. Pam makes a motion the Ohana award open up to coaches. Phi C. 2<sup>nd</sup>'s Motion passes. Coaches can now be considered for the Ohana award.
